## TODAY'S LIFE GROUP STUDY

**Scripture: Colossians 1:15-23**

**Ice Breaker:** It has been a fairly old fashioned Canadian winter so far this year. Share your predictions of what lies ahead for the rest of February and March.

### Questions:

1. What was the role of the Son of God in the creation?
2. In verse 16, there is a reference to something or things being created that are not listed in Genesis 1 and What are they?
3. Try to find 6 separate facts about the Son of God in verses 17 and 18.
4. What is the role that the Son of God plays in the relationship between God and humans? See verses 19 and 20.
5. In verses 19 and 20, what is meant by "things on earth and things in heaven"? Did the sacrifice on the cross have something to do reconciling heavenly beings?
6. Was there a point in history at which every person on earth had heard the gospel?
